

Activity 3

Pictures of characters to stick around the classroom to generate discussion about where people live.

Teacher to read out these sentences for students to identify where these people live.

	A. Tom lives in the town centre. His house is opposite the café and in between the Job Centre and the offices.* There is a train track behind his house.
	B. Li lives opposite the school and the train station. She lives on the 12th floor.
	C. Amir lives in a house behind the school. His house is next to the park and far from the Job Centre.
	D. Leon lives near Li. He lives next to the train station, near the school and opposite the offices. He lives on the 3rd floor.

****learners may have identified the offices as something else – solicitors etc.***
