lock and chain

Bedtime checks

Choose the correct words to complete this bedtime checklist:

	Close all the inside (cupboards / doors / windows).
	Un-plug things that use electricity except (fridges and freezers / hairdryers / heaters).
	Check the cooker is turned (off / on / on stand-by).
	Do not leave the washing machine or dishwasher (off / on / on stand-by).
	(Turn off / Switch on / Close) heaters.
	Put (a clothes line / a fire guard / an ironing board) around the fireplace.
	Check the escape routes and doors are (clear / full / obstructed).
	Put the door and window (bolts / keys / lock and chains) where everyone can find them.

Bedtime checks answers

Check your answers:

	Close all the inside doors .
	Un-plug things that use electricity except fridges and freezers .
	Check the cooker is turned off .
	Do not leave the washing machine or dishwasher on .
	Turn off heaters.
	Put a fire guard around the fireplace.
	Check the escape routes and doors are clear .
	Put the door and window keys where everyone can find them.

Now, make a bedtime checklist with everyone in your home.

When you have finished it, display it in your home so everyone can see it.
