

My week

Phonics focus

- One sound to one or two letters, e.g. *on, in, shopping*.
- 'ay' sound/spelling correspondence in days of the week, plus *play*
- double consonant letters, e.g. *swimming, college, hairdresser*
- *schwa* sound/letter correspondence, e.g. *Saturday, hairdresser, centre, supermarket*.
- syllables (days of the week), plus *every, college*, etc.

Additional materials needed

- [New to ESOL Resource 4.2](#) Text 9 (Asal) and 4.2 Text 10 (Musa)
- [Topic 4, Units 1](#), [Topic 4, Units 2, 3 & 4](#)
- Pictures and word cards: Resource 4.2.1. Images of library, swimming pool, shopping centre, etc. Resource 4.3.1 and Resource 4.4.1 images of school, college, mosque, etc.
- Images/words of places local to your learners
- Resource 4.4.1 flashcards, 4.4.5 flashcards and days of the week word cards
- Resource 4.2.10 days of the week (spelling) and 4.2.11 (abbreviations)
- Letter cards: cards with alphabet letters and individual graphemes; extra vowel letter cards
- [Template 12](#) - phoneme chart (for support)
- Sticky notes and mini whiteboards

Warmer

On the board (or on cards), write up the letters of today's day out of order. Ask learners to order the letters to spell the word correctly, saying the names of the letters and the sounds as they do so. As the days of the week do not follow a simple one-to-one correspondence, focus on the initial sound/symbol correspondence and 'day' at the end of each one. Break the words into syllables.

Suggested procedure

1. Introduce the topic: show the pictures from *New to ESOL* Resource 4.2.1 (different places, Asal and Musa), check vocabulary and encourage discussion of what Asal and Musa like/don't like. Ask learners if they go to any of these places regularly.
2. Elicit all seven days of the week and hand out the word cards (Resource 4.4.5 Key words – days of the week). Use translation if necessary.
3. Whole word recognition: ask learners to hold up each day as you say it. Focus on initial consonant sound/spelling correspondence, particularly **Tuesday** and **Thursday**. Practice activities as required, e.g. learners take turns in saying a

ESOL Phonics Pack: Section 4 'My week'

- day and the others hold it up. Focus on the sound/spelling correspondence in 'day'. Elicit other known words with the same pattern, e.g. play, pray, say, lay.
4. Show the picture of Asal (Resource 4.2 Text 9) and pictures of the swimming pool, shopping centre, library, park (Resource 4.2) and college, market, supermarket, hairdressers (Resource 4.3.1) Ask learners which day they think she goes shopping, to the library, swimming, etc. If possible, use images of local places.
 5. Recap the key vocabulary, hold up 'Monday' and put it with a picture of the shopping centre. Model the sentence, 'Asal goes shopping on Monday'.
 6. Give pairs/small groups of learners a set of pictures and days of the week cards.
 7. Read aloud the 'My week – Asal' text (p.8 below). Learners listen and as you say each sentence in turn, ask them to match the relevant picture with the day of the week. Check and elicit the sentences orally.
 8. Show the 'My week – Asal' text and read it aloud, pointing to the words as you do so. Check understanding.
 9. Use choral and paired reading techniques and ask for volunteers to read the text aloud, pointing to the words as they say them.
 10. Show the word cards (p.5, 6 & 7 below), drill and check understanding. Ask learners to match some of the pictures to the word cards.
 11. Focus on 'ing' in *swimming*, *shopping morning* and *evening*, and the 'sh' in *shopping*. Note that 'ing' is two sounds: i – ng. Highlight the double letters in *shopping*, *college*, *swimming*, *coffee* and *football*.
 12. Break the days of the week into syllables and say the words slowly, pointing to each syllable as you do so. Sound out where possible, e.g. *S – a – t*, *S – u – n*, and focus on 'd - ay' in each one. **Note:** 'Wednesday' is often pronounced as two syllables /wensdeɪ/, the 'ur' in *Saturday* is a schwa whereas in *Thursday* it's / 3: /.
 13. Then say and write up the days in chunks, changing the pronunciation so that it matches the spelling, e.g. *Wed – nes – day*, *Sat – ur – day*.
 14. Give learners practice in saying, reading and writing the days of the week, using the word cards in a variety of ways. **Differentiation:** dictate words for learners to write; learners can record themselves saying the days and then practise writing them.
 15. When learners are confident with the days of the week, show the Musa text (p.8 below) and read it aloud slowly, pointing to each word as you say it. Use choral and paired reading techniques. Ask for volunteers to read the text aloud, pointing to the words as they say them. Check comprehension.
 16. At any point while reading the texts, focus on phonics: point to a word and sound it out or ask a learner to sound it out, e.g. *shop*, *swimming*, *park*, *play*.
 17. Using the word cards (p.5 & 6 below) ask learners to find the same words in the texts.

ESOL Phonics Pack: Section 4 'My week'

Activity 1: learners insert the missing letters to make words and say the words as they do so. **Differentiation:** a) learners copy the words to practise spelling and handwriting. c) learners choose a word(s) and say a sentence containing the word(s).

Activity 2a Asal: learners read the text aloud and select/copy the missing vowel letters as they do so.

Activity 2b Musa: learners read the text aloud and select/copy the missing consonant letters as they do so.

Activity 3: ask learners to use the word cards on p.5, 6 and 7 below to form sentences, saying the words as they form each sentence. Add words relevant to your learners.

Further phonics practice activities

- Choose words from the text (suitable for your learners) and model putting each grapheme on a sticky note – say the sounds as you build the word, e.g. *s – w – i – mm – i – ng p – oo – l*.
- Make puzzles on sticky notes, e.g. *p ar k, c o ff ee, sh – o – p, m – ar – k – e – t* and ask learners to assemble them into words. Say the sounds as you/they put the words together.
- Hand out copies of one of the texts. Choose a specific sound and ask learners to listen and highlight/underline the grapheme as you say it, e.g. 'ur' in *Thursday, Saturday*.
- Learners listen and write the word as you sound it out, e.g. *p – l – ay*.
- Elicit other known words which end in 'ay' with the same sound, e.g. *pay, say, May*.
- Learners select the correct grapheme cards as you say the word.
- Use letter/phoneme cards for handwriting practice, saying the sounds as they write the letter(s).
- **Differentiation:** for spelling the days of the week, further practice material can be found in *New to ESOL* Resource 4.2.11. For practising abbreviations, use Resource 4.2.10

For more suggestions, see the 'Introduction to Phonics' section.

My week - Asal

I go shopping on **Monday**.

I go swimming on **Tuesday**.

I go to the library on **Wednesday**.

I go to college on **Thursday**.

I go to the supermarket on **Friday**.

I go to the hairdresser on **Saturday**.

I go to the park on **Sunday**.

My week - Musa

I go to college on **Monday** and **Thursday** afternoons.

I go to work on **Tuesday** and **Wednesday**.

I go to the gym on **Thursday** morning.

I go to the mosque on **Friday**.

I meet my friends in the coffee shop
on **Saturday** evening.

I play football on **Sunday** morning.
