Information

If you see a box like this, read the information carefully. It will help you with the next task.

Sometimes you have to do some work outside your cell:

Workbook 1 – Finding somewhere to live

Learning goals

By the end of this unit you will be able to:

- use new words for talking about housing and finding somewhere to live
- read texts about different types of housing
- fill in a form for housing
- use some grammar (past simple and zero conditional sentences).

Task 1 – What kind of accommodation? Important words you need to know

1. Before you start...

What does accommodation mean?

- ☐ a place to eat
- ☐ a place to live
- ☐ a place to buy things for your home

Check your answer.

Think about it...

Is this the first time you have left prison?

Choose one column and answer the questions. You can tick more than one box.

Yes 	No 
Where did you live before prison? ☐ with family ☐ with friends ☐ with my partner ☐ on my own ☐ in the UK ☐ outside the UK ☐ other Do you know where you are going to live when you leave? ☐ Yes ☐ No How do you feel? ☐ happy ☐ excited ☐ nervous ☐ worried ☐ other Do you have help in prison to find accommodation? ☐ Yes ☐ No If yes, who helps you?	Where did you go last time? What was your accommodation? Did someone help you to find it? ☐ Yes Who? ☐ No Did you like it? ☐ Yes ☐ No Why? Did you have any problems? ☐ Yes ☐ No If yes, what were the problems?

2. Here are four types of accommodation you could move into when you leave prison. Read it carefully then answer the questions on the next page.

Information

private rented accommodation	This house or flat belongs to a person (a landlord). You pay him or her money (rent) every week or every month.
hostel	This is a building where people from different families live. You have your own bedroom but you share a kitchen, bathroom and other rooms with other people. You usually stay here for a short time when you are looking for somewhere else.
supported housing	This is place some people live if they need support (help). For example, they may have a disability, a mental health problem or need help to stop taking drugs.
council housing	This house or flat belongs to the council. It is difficult to get a council house quickly. You usually have to wait.

Read the about the people. Where did they live when they got out of prison?

Write a word or phrase from the box next to the person.

supported housing	hostel	with family
with friends	private rented accommodation	

 a. Jack	I had my own flat. I had to pay £52 a week. It was furnished so I didn't need to buy any furniture. The neighbours were nice.	
 b. Angela	When I left, I moved into Manfield House. I had my own room but I had to share a bathroom and kitchen. I only stayed there two months. It was OK.	
 c. Tekle	I moved in with my brother. We didn't get on very well before but we are friends now. He really helped me.	
 d. Renata	I moved in with some mates I knew before I went to prison. It wasn't a good idea. They were still using drugs and I soon started using again.	
 e. Ali	I have a mental health problem. I found accommodation with a charity that helped me with my problem.	

3. Who seemed happy with their accommodation? Who was not happy?
4. Look at the last page about Jack, Angela, Tekle, Renata and Ali again.
 - a) What are they talking about? Tick (✓) one box.
 - ☐ something happening now
 - ☐ something that happened in the past and is finished.
 - ☐ something that will happen in the future

Information

Look at these sentences from the last page.

I *had* my own flat.

I *moved* in with my brother.

The people are talking about when they left prison. This happened in the past, for example, last week, last month or last year. *have* and *move* are verbs. *had* and *moved* are examples of verbs in the past simple tense.

- b) Read the last page again and find the past tense of these verbs.

Column 1			Column 2	
verb	past simple		verb	past simple
move	<i>moved</i> ✎		have	<i>had</i> ✎
stay			am / is	
help			are	
start			leave	
			go	
			find	

Information

We call the verbs in column 1 regular verbs. We just add **ed** to the end to make the past tense. For example, *stay* → *stayed*

We call the verbs in column 2 irregular verbs. They change their spellings.

For example, *go* → *went*

c) Write these sentences again. Change the verbs in **bold** to past simple to make the sentences correct.

Last week, I **move** to a new wing.

.....

When I first came to prison, I **am** worried. My friend Sami **help** me a lot.

.....

Yesterday I **go** to the library and **find** a good book about keeping fit.

.....

I **start** my English class two months ago. It **is** difficult at first but it's easier now.

.....

Information

Look at this sentence.

I *didn't* need to buy any furniture.

To make a negative in the past simple tense, we use *didn't*. We don't add change or anything to the main verb.

d) Read page 8 again. Read what Tekle says. Can you see another negative past simple sentence?

5. Here are some important words you need to know for talking about accommodation. Do you know what they mean? Check the glossary at the back or ask an English-speaking friend.

accommodation	earnings	rent	income
benefits	landlord	arrears	property
		tenant	

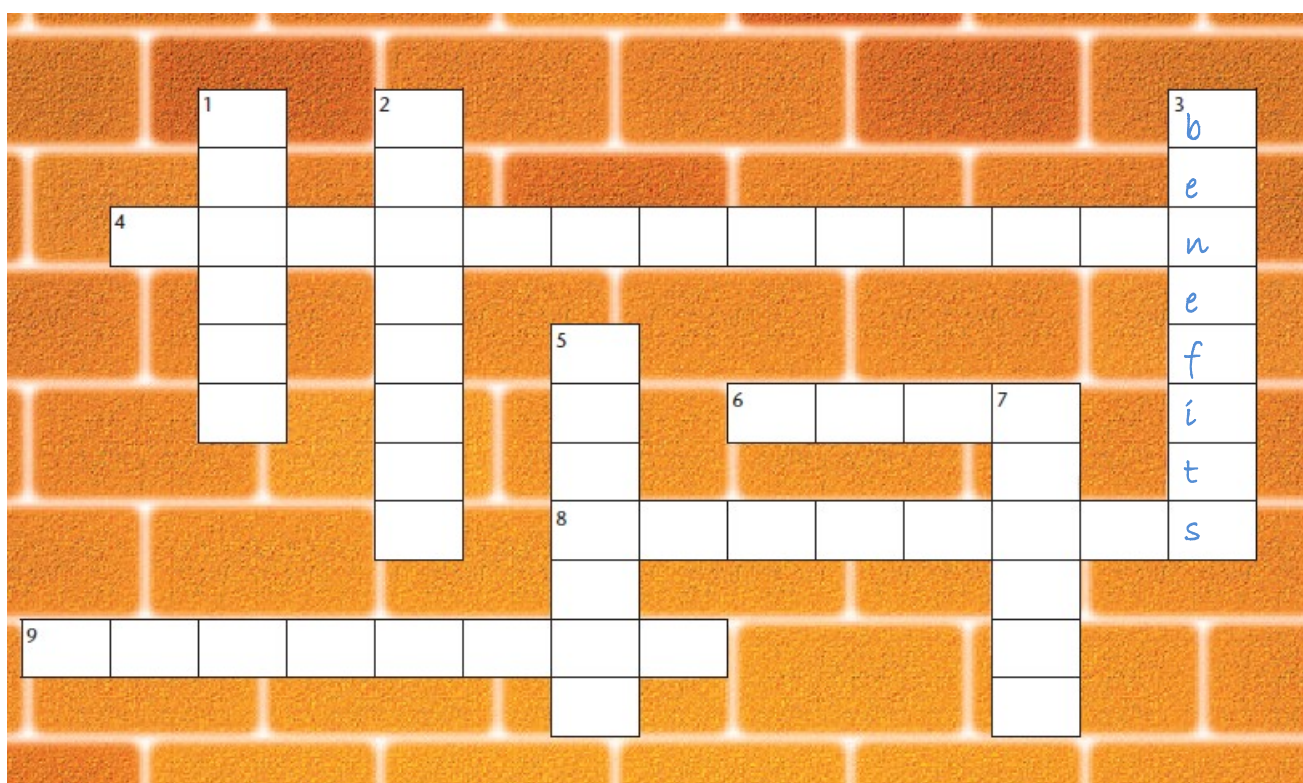

Now try the crossword. Number 3 is an example.

Across

- 4. a place to live
- 6. money you pay to live in a place
- 8. money you get for work you do
- 9. the person you pay to stay in your accommodation

Down

- 1. all money you get
- 2. a building like a flat or house

Living near my family

Having my own room				
Sharing a kitchen				
Sharing a bathroom				
Support to keep me off drugs / alcohol

Where do you think you will live? Tick (✓) at least one box.

Task 3 – Filling in a form

Alena has a meeting with Lana who works for the prison housing service. Lana gives Alena a form to fill in for accommodation.

Can you help Alena fill in part of the form?

Before you start, here are some words you might need...

‘NI number’ is your national insurance number. You have one if you can work or receive benefits in the UK. It is two letters, six numbers and one more letter.

‘recovery’ means getting better after having a health problem

A mental health problem is when you have a problem with your feelings or thoughts which makes you feel sad or frightened a lot of the time. Examples of mental health problems are depression and anxiety.

If you have a physical disability, you can’t use a part of your body. For example, maybe you can’t walk or find it difficult to walk, or maybe you can’t see or hear.

(8)

	Walford	Edenbridge	Greendale
Mariam?	☐	☐	☒
Sebastian?	☒	☐	☐

The **Greendale** flat is good for **Mariam** because it is on the ground floor (she can't climb stairs easily) and has one bedroom (she doesn't want to share). Also, it's £350 per month (she can pay £90 a week; £90 x 4 weeks = £360).

The **Walford** house is good for **Sebastian**. It's shared (he wants to live with other people) and it's non-smoking (he stopped smoking last year). We don't know if the Edenbridge house is smoking or non-smoking.
