

My neighbourhood

I live at number 15, Main Street. I have lots of lovely neighbours. They are friendly and helpful. I have three next-door neighbours – Aisha lives at number 13 and Claire and Helen live at number 17. Every morning, Claire and I leave for work at the same time, and we always have a quick chat - we usually talk about the weather. If I go on holiday, Aisha puts my bins out for me. When Helen and Claire go away, I feed their goldfish and look after their cats. Piotr lives opposite me at number 16. He has two small children and sometimes I babysit them for him when he works late. Pat lives at number 20. She is quite nosey and likes to know everything about everyone – she loves to gossip! Irene lives at number 19 - she is quite old and doesn't go out much. She loves it when people drop in to see her for a cup of tea and a biscuit. She likes to talk about the old days when she was young – she can remember what Main Street was like 50 years ago. It's a friendly neighbourhood!
