

### One of those days

Hi, have you ever had one of those days when everything seemed to go wrong? I'm sure you have, I know I have. I remember one particular day, I'd been invited to a party and there was someone going who I'd never met but I really wanted to meet, so I was quite excited about going to this party, and I maybe spent too long getting ready and I was a bit late when I was leaving the house, but not too late. But then I looked down and saw I had a hole in my tights! So I had to go back inside, change my tights, come out again, so I was getting a little bit late for the party, but not too bad. I got in my car, started driving, about half way to the party my car stopped. I couldn't understand what was the matter until I looked at the petrol gauge: it had run out of petrol! Why? Because I'd lent my car to my son the day before and he'd used the petrol and he hadn't filled the car up! So I thought I'd ring the AA. I looked in my handbag to find my mobile phone, but I couldn't find it. Why? Because I'd left it next to my bed charging. So even though it was pouring with rain, I had to get out of my car, in my party clothes, walk to the petrol station and come back with petrol. By which time I was nearly 2 hours late. So, I was so flustered about being late, I started to drive and I just took a wrong turn and I ended up on this one-way system, totally lost, driving round and round for at least 45 minutes before I managed to get my bearings. So finally, I arrived at the party over 3 hours late and when I arrived the person I wanted to meet had just left, all the food had gone, and my host was horribly drunk. I was so disappointed that I just turned around and left and went back home. Have you ever had a terrible day like that, when everything went wrong? If you have, write and tell us about it.
