

Cleaning: reporting accidents

Transcript: reporting accidents

Rene: Anna, there's been an accident

Anna: Really what's happened?

Rene: It was Susana, She slipped over; there were some chemicals on the floor.

Anna: Oh chemicals, where was she?

Rene: It was in the storeroom on the first floor

Anna: OK, could she move?

Rene: No, it was too painful, she can't move.

Anna: Right, I'm going to phone an ambulance right now, you need to get Ewa, the first-aider and go and check.

Rene: OK
